## Risk Agreement

### AUTHORITY TO TREAT

I, the undersigned, give the instructors, staff and responsible adults the power to authorize medical or other treatment of the student named \_\_\_\_\_, subject to the limitations listed below, if any. If I am not the named student, I am the parent, guardian or responsible adult for the named student, and I have legal right to grant this power. Treatment may be made without regard to whether I or any other parent, guardian or responsible adult has been contacted or has consented to the specific treatment, provided it does not conflict with the limitations outlined below. **This authority begins on the date signed and continues indefinitely.**

Limitations to treatment: \_\_\_\_\_

By granting my authorization, I assume responsibilities for all decisions made, provided they are reasonable decisions under the circumstances based on the knowledge and understanding of the person making the decisions, and I trust their judgment and offer the benefit of the doubt to them in any claim or legal proceeding. This presumption may only be overcome by clear and convincing evidence that they acted with malice or willful gross negligence, and if so they may still be liable.

### ADVISORY OF RIGHTS AND RESPONSIBILITIES

Safety is not the sole responsibility of instructors and staff. Everyone in class is responsible for their own safety and the safety of those around them.

All students have the right and responsibility to excuse themselves from any exercise they believe will be harmful to them. All students must evaluate each situation in the context of their skill and current physical condition, and conduct each drill in a manner that is safe. If an instructor gives an instruction that is unsafe for the student, it is the student's responsibility to inform the instructor that the activity may be unsafe. The instructor will routinely excuse the student from unsafe exercises and drills. The instructor may ask for an explanation, and the student is expected to provide one.

All students have the responsibility to train and conduct themselves in a manner that helps all students and instructors remain safe. Students must give those who are training enough room to avoid interfering and avoid being accidentally struck by someone else practicing, which is especially important when others are practicing with weapons.

In the event of an injury, students have the right and responsibility to evaluate the extent of harm, stopping what they are doing even if it includes a partner, and determining if it is safe to continue. Unless a student is certain that further practice will not create or worsen a problem, all students are encouraged to stop what they are doing and inform the instructor. In the event of a serious injury or the appearance of a serious injury, all students, instructors, staff and visitors, notably parents, have the right to call a stop to a particular training exercise.

If a student notes an unsafe training situation, which may include a student performing a skill incorrectly, a student not showing due regard for the safety of others, a defective piece of training equipment, a potentially dangerous obstacle or condition on the floor, or anything else that may cause or lead to harm of students, instructors, visitors or guests, then the student is expected to correct the situation if it is within his ability or to notify an instructor or staff member immediately. If something is simple to correct, such as removing an obstacle from the floor, the student should correct the situation. If the situation may require the authority of the instructor or staff, or if it is not a simple matter, then an instructor or staff member should be notified immediately.

## **ASSUMPTION OF RESPONSIBILITIES AND RISK**

Martial art training is a potentially dangerous activity. Bumps, bruises, scrapes, scratches and soreness are commonplace, and most students will encounter this sort of minor injury from time to time in their training. More serious injuries are possible, including sprains, strains, twists, cramps, and injuries of similar magnitude, and the student can be expected to encounter these injuries infrequently. The possibility of more serious injury exists, including fractured bones, broken bones, torn ligaments, though not all students encounter such serious injuries. There remains, despite safety precautions, the remote possibility of crippling or death, though this is certainly not expected in this martial arts class.

I understand the above statement of risk, and I understand the rights and responsibilities of students. I assume responsibility for my on safety (or the safety of my child), understanding and accepting the risks involved with martial arts training. Even if the instructor has informed me that no serious injuries have ever happened in this school or with any of the instructors, I understand that this does not mean that there is no possibility of harm. By assuming this risk, I completely absolve all instructors, staff, guests, students, landlords, management companies and any and all other parties of liability for my harm, unless intentionally caused in criminal conduct.

## **NOTICE AND CONSENT TO INSTRUCTORS**

This school seeks to make use of highly trained professional instructors, with both expertise and experience both in the art(s) that we teach and in teaching. The head instructor or any other qualified instructor may teach classes. Should an instructor be unavailable for a given class, a junior instructor, senior student or guest instructor may teach. The choice of the instructor is left to the discretion of the school.

I understand that I may not always have the instructor I desire, but I shall seek to learn from whomever is teaching, to show the respect due the position of teacher to whomever is teaching, and to conduct myself in accordance with the etiquette established at this school. I understand that I have the responsibility for my own safety without regard to who may be teaching the class. I specifically consent to any instructor the school, instructors or staff feel are sufficiently qualified by standards they set to teach the class. I specifically understand and agree that the full force of this document applies no matter who is teaching.

## **NOTICE OF PHYSICAL CONTACT**

Complete martial arts training involve a wide variety of skills. While practicing these skills, students may have contact with any portion of the body. The groin may be the target of kicks, strikes or grabs. The chest, buttocks, groin or any part of the body may be contacted by any part of the training partner's body during training with martial arts techniques, or incidentally contacted while performing a martial arts technique which targets another portion of the body.

When male and female students train together, or when adult and minor students train together, and in any other training combination, the purpose and intent of the school, instructors and staff is to provide an environment for all students to learn and practice martial arts and self-defense. Students are expected to conduct themselves appropriately at all times to ensure the best training results for everyone.

Should any student feel that a training partner is engaging in contact beyond the scope of training, or a training partner is taking undue and unacceptable advantage of training contact, or if a student is made uncomfortable by any training exercise or partner, then that student has the right to withdraw from the exercise or drill. If the contact of a training partner appears inappropriate, the student should inform the instructor privately. If the conduct of the training partner or any training partner appears criminal, then the instructor should be informed and the authorities may be notified either by the student or the instructor, or both.

**CONSENT TO PHYSICAL CONTACT**

I understand the nature of physical contact in martial arts training, and I understand that I have the right to immediately withdraw from any exercise or drill in which the contact of any party seems beyond the scope of training and makes me uncomfortable. I agree to abide by school etiquette in all matters pertaining to training, and I shall not in any way conduct myself inappropriately or take inappropriate advantage of the contact martial arts training allows.

I further agree that I will not cause to be brought, nor encourage a claim or suit. I also agree not to cooperate in the bringing of such a suit or claim except insofar as I may be legally required to do so. Finally, I shall indemnify the school, instructors, staff, guests, students, and any and all additional defendants covered by this agreement for all judgments, costs, attorney fees and other expenses incurred as a result of a breach of this agreement.
